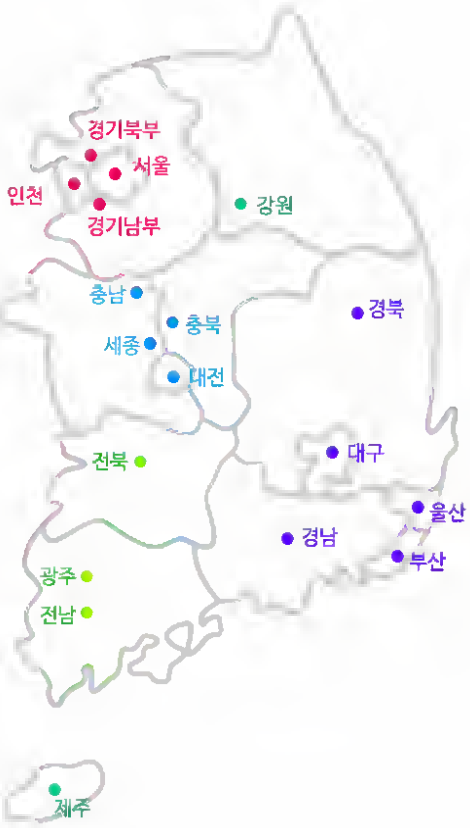
Sfx: Studying hard

Sfx. Hehehehe

This is a nonsmoking camp.

Wait a moment!

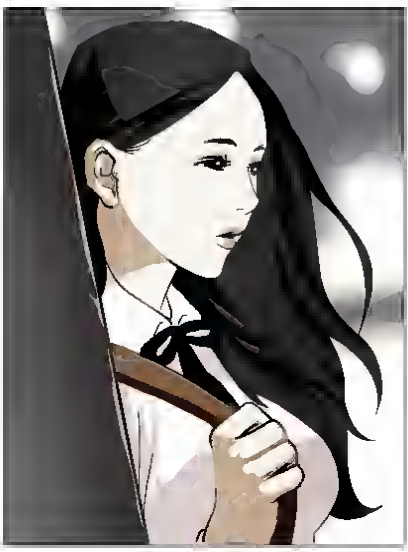
Map of South Korea



There are 18 nonsmoking centres in the country and they provide a 2 day, 1 night non-smoking camp for teenage non-smoking campaigns.

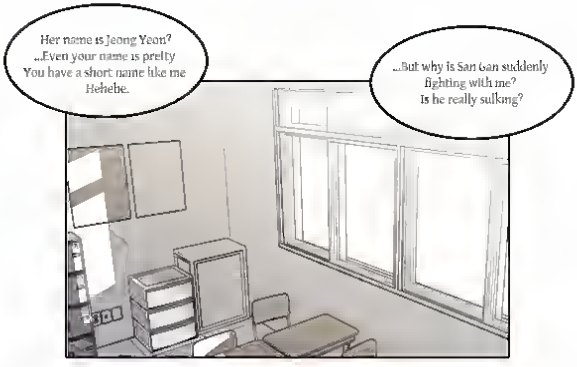
Look, it's Bum Nuckle Bum Jae Bak Great
There's Joo Yong Lee from Glan high school!
We have to keep it a secret from Misco that we came here
...

Students that smoke and people
who want to quit smoking can join here.
Sometimes they are dragged here...



Because she doesn't like it,
I am going to quit smoking...

...I came here voluntarily,
instead of my friend!
I even borrowed his school uniform!



Her name is Jeong Yeon?
...Even your name is pretty
You have a short name like me
Hehehe.
...But why is San Gan suddenly fighting with me?
Is he really sulking?

I found out her name after searching for her.

Apparently, the school uniform that I am wearing is famously know in this area as a loser school.

Sfx. Tilts his head

It's a good program,
but the kids aren't interested.
So for nonsmokers, strong willpower
is important for people like me.

Sfx. Shake shake

Wow...!
Smoking was this dangerous?!
And your height growth is affected.
If I didn't smoke, I would've have grown 5 cm taller.
But he's already 181 cm
